

JAI MAA

Verses In Praise Of The Divine Mother

(From Devi-mahatmyam)

Sarva-mangala-mangalye Sive
sarv'artha-sadhike;
saranye Tryambake Gauri Narayani
namo'stu te.

1. O the most auspicious among those
that are auspicious!

O the one that grants the fulfilment of
all prayers!

O the one refuge of all!

To Thee, consort of Siva, known also
as Tryambaka and Gauri,

To Thee, O Narayani, our salutations!

Srsti-sthiti-vinasanam sakti-bhute
sanatani;
gunasraye gunamaye Narayani
namo'stu te.

2. O Eternal one! Thou art the Power
that creates, sustains and destroys
the worlds

On Thee Objective Nature rests, and of
Thy being it is constituted.

To Thee, O Narayani, our salutations!

saran'agata dinarta paritrana parayane
sarvasy'arti-hare devi Narayani
namo'stu te

3. O Mother Divine, noted for Thy zeal
in affording protection to the weak
and the afflicted!

O Thou, the dispeller of the miseries
of all!

To Thee, O Narayani, our salutations!

Jaya Narayani namo'stu te
Jaya Narayani namo'stu te
Jaya Narayani namo'stu te

To Thee, O Narayani, our salutations!

To Thee, O Narayani, our salutations!

To Thee, O Narayani, our salutations!
